Friday Nite check-in
Courtyard Marriott,

50-75 Mile Course: Combine two or three 25 mile routes to form a ride that fits your style. See map for routes.

25 Mile Course: There are three different rides which vary from a relatively flat ride to variable climbs. All three travel through back country roads and along scenic winery roads. Each ride begins and ends near the start/finish point. Ride 1 is a relatively flat course with minimal climbs. Ride 2 is on the south side of Hwy 46, eastward into the foothills and includes a 1.5 mile climb at the midpoint. Ride 3 is a more moderate ride with several fun ups and downs. Both rides 1 and 3 have a short steep climb at the end. See map for routes and distances.

15 Mile Course: This ride is best for those who want a good flat course and want to get some exercise with few climbs until the short steep climb at the end. This is a good beginner's course.

3 Mile Kid's Fun Ride: This ride is for the smaller riders (12 and under). A simple out and back route, complete with a rest stop at the turnaround. An Adult **MUST** accompany any child who wishes to participate.

Early check-in available Friday from 4:00 - 7:00 pm at the Courtyard Marriott. Saturday check-in and ride starts at River Oaks Events Pavilion, 800 Clubhouse Dr. at 7:30 am.
